Only ship's captain and rating ?

The 'Voice of Tigers' on Friday announced that it has in its custody only the captain of the naval gunboat "Sagarawardena" Ajith Boyagoda and one naval rating, defence sources said.

Tiger Radio earlier announced that only Captain... Ajith Boyagoda was in LTTE custody. However the four

naval officers and ten ratings who were rescued from the ship after it was attacked by two LTTE craft packed with explosives last Monday, say that they saw the LTTE taking away several of their colleagues.

Of the 40 naval personnel on board two officers and 20 ratings are reported missing while the bodies of two ratings were reco-

vered.

The LTTE is re-

ported to have lost five of its cadres.
